Subject: Revised Subpart W Draft Preamble and Rule Language

Hello All,

Attached is the most recent draft of the Subpart W preamble and rule language. I have addressed all of you comments (I think), thank you. Other than the corrections you will see very little new material. I have made three additions/changes you may wish to review:

(b)(5) - Deliberative Process Privilege

I look forward to speaking with you on Monday for the workgroup meeting. I hope we can advance this action to the FAR stage. In the meantime, please let me know if you have any questions or comment. Again, thank you for your participation.

Reid
